## From the President:

From the President:

It's time to put our snowmobiles away for the season and get out the ATVs and dirt bikes. Although we did not get as much snow as we did the last two years, it was nice to be able to ride in the sunshine and when there was better visibility.

This summer we are planning the first "annual" RPR campout. I haven't worked through all the details but it would be somewhere in North Routt (probably somewhere in Little Red Park). It is scheduled for July 16-18. Bring your motor homes, campers, tents, ATVS and dirt bikes. We'll have a big campfire in the evenings. It will be lots of fun if Mother Nature will give us some nice weather.

The Columbine Access ruling from the Forest Service should be out in June 2010. We will be in touch once we hear about it.

Again, I want to thank Ross and Ed M. who have served on the Board for many years and Kim for her term as our Treasurer. They have devoted lots of their time to our club and we are appreciative of all they have done for snowmobiling.

THINK SPRING and have a wonderful summer.

Mary Sue
